

Lease Purchase

Lease Purchase enables customers to acquire their Volkswagen with lower monthly payments by deferring an agreed amount until the end

How does it work?

Cost of your vehicle

Once you have chosen your Volkswagen and decided on your initial payment, you just need to make three decisions that will affect your monthly repayments:

- 1 Your repayment period**
Choose any period between 12 and 48 months
- 2 Final 'balloon' payment**
Defer an agreed amount until the end of the agreement. This is known as a 'balloon' repayment
- 3 Mileage per year**
Choose how many miles you expect to drive each year[†]

FAQs

Can I get a Lease Purchase agreement?

Lease Purchase agreements are available for both retail customers* and business customers**.

What benefits does Lease Purchase offer me?

- 1 Lease Purchase is suited to customers who intend to keep the vehicle for longer than the period of repayments
- 2 Deferring an agreed amount to the end of your agreement allows you to reduce your monthly repayments
- 3 Deposits can be as little as one monthly payment

Important information to consider

- 1 You are responsible for the repayment of the final 'balloon' payment – even if the vehicle is worth less than the 'balloon' payment at the end of the agreement
- 2 Ownership of the vehicle will remain with Volkswagen Finance until you have paid both the option to purchase fee and the 'balloon' payment
- 3 It is really important that you keep up to date with your monthly repayments, so please contact us if you are having any difficulties as the vehicle may be at risk if you don't
- 4 If you wish to end your agreement early you can request a settlement quote. How far into your agreement you are will affect the amount left to pay

What happens at the end of my agreement?

At the end of your agreement you have three options:

- 1 Pay the final 'balloon' repayment and option to purchase fee and take ownership of the vehicle
- 2 Part exchange the vehicle and settle the final 'balloon' repayment
- 3 Depending on the original term of the agreement, you may be able to apply to refinance the final 'balloon' repayment

Will I own the vehicle?

Yes once you have paid the final 'balloon' payment and option to purchase fee the vehicle is yours.
